Guidance for attestors

A person seeking or holding the status of a Registered Recreation Professional on NZRRP must be, and remain during the period of registration, a **fit and proper person**.

To maintain this standard, Te Mahi Ako requires each registered individual to:

- Be ethical and behave in an appropriate way, and
- Be mindful of their influence on safety, and
- Not bring Te Mahi Ako or the standards it administers into disrepute, and
- Be able to read, understand and query technical information related to the role they are appointed to, and
- Be legally permitted to work in New Zealand.

E. Attestation

I attest that the lifeguard named above:

- Has met re-registration requirements
- Is current in knowledge, skills and experience
- Is a fit and proper person (see definition above)
